3 PRESS PACKO LABEL ON SHIPPING CONTAINER

It's self-adhering. Sticks firmly, instantly.

VERSATILE

Packo Label adheres to any clean, dry surface: wood, paper, metal, plastic, glass. Wraps around curved objects, too!

NO WATER — NO GLUE — NO ENVELOPES — NO DISPENSERS — NO FUSS — NO MUSS.

Ever check what it costs you in time and materials to attach a packing slip to a shipment? Self-adhesive Packo Labels do the job in a **fraction** of the usual time—and at a **fraction of the cost**. They protect your papers better, too, because they're moisture-resistant and made so that contents won't be torn on removal.

Each Packo Label has a printed message on one side and a pocket on the other. Adhesive surrounding the pocket gives a good, firm bond, and the large type on the front of the label calls immediate attention to your shipping papers.

No matter how efficient your shipping operations are now, you can make them **more** efficient with Packo Label. Prove it to yourself with a trial order!
